

Who to Contact - Leicester, Leicestershire and Rutland

*IN ALL CASES, THE **EXACT** location of the problem will be needed. Bridleway and Highway systems usually have maps for this - see right hand column, but if not give a grid reference (6 figures preceded by the 2 relevant letters - see OS maps for instructions). Take care at or near County Boundaries! Please copy email to networks@bridlewayslrba.org.uk so that LRBA can chase if necessary. If reporting to the Police, please also report to the BHS on <https://www.bhs.org.uk/our-work/safety/report-an-incident>*
