GRETTON CAMPING WEEKEND

A weekend of fun for you and your horse!

Bring yourself, your horse, your partner; their bicycle/walking boots, and enjoy a weekend exploring the beautiful countryside just over the border in Northamptonshire.

There are many routes available on bridleways, permissive paths, quiet country lanes and slightly busier country roads.

Bring your own electric fencing to corral your horse overnight. Camp in your lorry, trailer, tent or caravan (no hook-up available). Cold water tap & chemical toilets provided.

Or just come for the day. Have a barbecue, a local pub meal or phone for a take-away.
