

Report of Virtual AGM May 2022

This year, because of Covid-19 a virtual AGM was held again. The voting forms were issued in the Newsletter and 29 responses (the same number as for 2021) were received, 3 by hand delivery, 2 by email and the rest by post, by the deadline of 29th May. No member took up the offer to submit their membership form in the same envelope.

All existing Members and Officers offered to stand again and no other nominations were received. No respondees voted against any of the nominations nor the adoption of reports and appointment of auditor (put in voting form as Hon. Auditor albeit being a paid, rather than an honorary, post). Therefore, all officers and members and auditor are appointed and all reports are adopted *nem.con*.
